Dear Workshop Participant,

We are looking forward to your arrival at Anderson Ranch Arts Center. In order for you to get the most from your time here, I've included a schedule of events that commonly occur during a typical weeklong workshop in Photography & Digital Media:

**Sunday.** Students staying in our housing arrive on Sunday. Dinner in our café is at 6 PM. This is an opportunity to meet fellow students, faculty and staff.

**The Week.** Breakfast is served Monday – Friday in the Café starting at 7:30 AM. We begin at 8:45 AM Monday morning with a welcoming orientation hosted by Ranch staff in the Schermer meeting hall. During this 15-minute introduction, you will be introduced to the Ranch staff and the faculty on campus that week. Immediately following the general orientation, we have a brief workshop orientation on the porch of the Fischer Photography Center.

In general, our workshops meet weekdays from 9 AM – 5 PM with a one-hour break for lunch. Activities may include lectures, slide talks, demos, field trips, individual photographic assignments, studio work and individual and group critiques. *Some faculty may choose to alter the 9 AM – 5 PM hours to capture the best light or to travel to a photographic location.*

You will have 24-hour access to our facilities beginning Monday morning after orientation and ending on Friday evening at 5 PM. Staff will be available in the studios Monday to Friday 9 AM – 5 PM and in the evenings Monday to Thursday 7 – 10 PM.

On Friday afternoon, all printing stops at 3 PM. Many faculty use the time between 3 PM and 5 PM to organize a final class discussion or critique. Everyone must clear the building by 5 PM.

**Lectures.** Slide presentations by visiting faculty are scheduled Sunday and Tuesday evenings at 7 PM and some Wednesdays at noon. Most lectures are free and open to the public. Check the chalkboards around campus for the exact schedule of events during the week of your workshop. Attendance is encouraged but not mandatory.

**Auctionettes.** Your workshop may coincide with a Friday afternoon Auctionette. These exciting lunchtime events auction work by students, staff and faculty alike. Proceeds support programming at Anderson Ranch. All students are welcome to contribute a piece of work and invited to bid at their leisure.

**Activities.** The Ranch is situated in a scenic mountain area with easy access to walking and hiking trails. Aspen is a 20-minute bus ride away.

Again, this is a general template—each workshop has its own requirements and dynamics that may necessitate changes in this overview. If you have any questions, please feel free to contact me.

Best,
