Workshop Supply List

Faculty Name: Fredy Huaman Mallqui   Workshop Title: Relief and Detail: A Journey Through Sculptural Wood Carving
Dates: August 28 – September 1   Workshop #: W1313-23

Dear Workshop Participant,

We look forward to welcoming you to Anderson Ranch Arts Center. This letter includes the list of supplies for your workshop and a general schedule of events that commonly occur during a typical workshop week. Our studios are open 24 hours, Monday - Friday and participants are encouraged to continue their work on weekday evenings. Students have access to the studio over the weekend if they are enrolled in a two- or three-week workshop. We encourage students to join their faculty and class for the Sunday welcome dinner at 6 pm as well as faculty presentations at 7 pm on Sunday and Tuesday evenings. Students should plan to attend our Monday morning orientation at 8:45 am in Schermer Meeting Hall. Other events may include the Featured Artists Lecture Series and Friday auctionettes.

Your studio fee goes towards general facilities maintenance, operational costs, and having equipment and materials on hand for your workshop. The store at Anderson Ranch has a great selection of art supplies. We may not carry all supplies on your list. If you purchase your class supplies ahead of time through The ArtWorks Store, we offer a 10% discount. For questions or to place an order, please contact info@andersonranch.org or 970-923-3181.

Keep in mind that Anderson Ranch is located in a remote mountain town. Some equipment and materials will be difficult to find locally. Please plan accordingly and order your supplies before the workshop start date. Each workshop has its own requirements and dynamics that may necessitate changes in this overview. We wish you the best experience.

Best,

Andrea Wallace
