INTRODUCTION

Welcome to Anderson Ranch! We are excited to welcome you to your winter program experience, which is sure to be inspiring and exciting. This handbook will help you get the most out of it. Winter programs help you see yourself and your work from a new perspective. Your growth may be as straightforward as earning a new technique or as expansive as provoking a new life's path. It is likely that your winter program will unfold differently than you imagined; embrace the experience. If you have taken winter programs in the past, remember that no two are alike, but all are sure to inspire you beyond your wildest expectations.

INTRODUCTION

Winter programs generally meet from 9AM to 5PM, Monday through Friday, unless stated otherwise in the course description. Winter programs are intensive experiences, and participants may find themselves in the studios in the evenings. In signing up for your winter program(s), you have made a commitment to attend in full. Arriving late, departing early, or missing class in the middle of the day is disruptive. Please come prepared to participate in a positive and constructive manner, and be ready to engage with the studio coordinators and peers.

The student handbook provides important information on what you need to do before you arrive as well as room and board details. Information about how to get on the Ranch, local weather, housing options and other important logistical details can be found on our website. Familiarity with these will ensure that when you arrive at Anderson Ranch you can immerse yourself in your winter program without delay. If you have any questions regarding course content, faculty, or skill level, please do not hesitate to contact us.

LODGING

Housing offerings are very limited and available on a first-come, first-served basis. The earlier you reserve housing, the better your chance of receiving your preferred option. Anderson Ranch is offering two single-occupancy housing options for January 2027. Shared housing options will not be available. For the safety of the Anderson Ranch community, Ranch-provided housing is only available to students who are attending winter programs.

To cancel lodging and receive a refund, notify us at least 60 days before the start of your lodging reservation. If we are given the required 60 days' notice, we will refund your payment less a \$200 cancellation fee per week of lodging reserved.
